NOCTURNAL ANIMALS OF NEW JERSEY

Friday, December 5, 2014 at 6:00 p.m.

Join us at the Pequest Trout Hatchery to learn about bats and other nocturnal animals. This fun-filled afternoon program will highlight animals that are active at night and things kids and their families can do to protect wildlife and their habitats.

This program is presented by Dove Environmental Education featuring Diana and Mike Dove, and is geared for the whole family and organized groups.

Popcorn will be provided. Bring your own "sit-upon" and water.

Thank you for not littering! Always Reuse, Reduce and Recycle.

For scout groups: please email a list of conservation/wildlife/ecology/respect for the earth belt or badge requirements you wish to see covered during the program to doveenvd@comcast.net.

This program is appropriate for organized groups and the whole family.

REGISTRATION IS REQUIRED

For more information and to register, call (908) 637-4125 x100. Funding for this program is provided by the Clean Communities Program.
